## OUR SERVICES

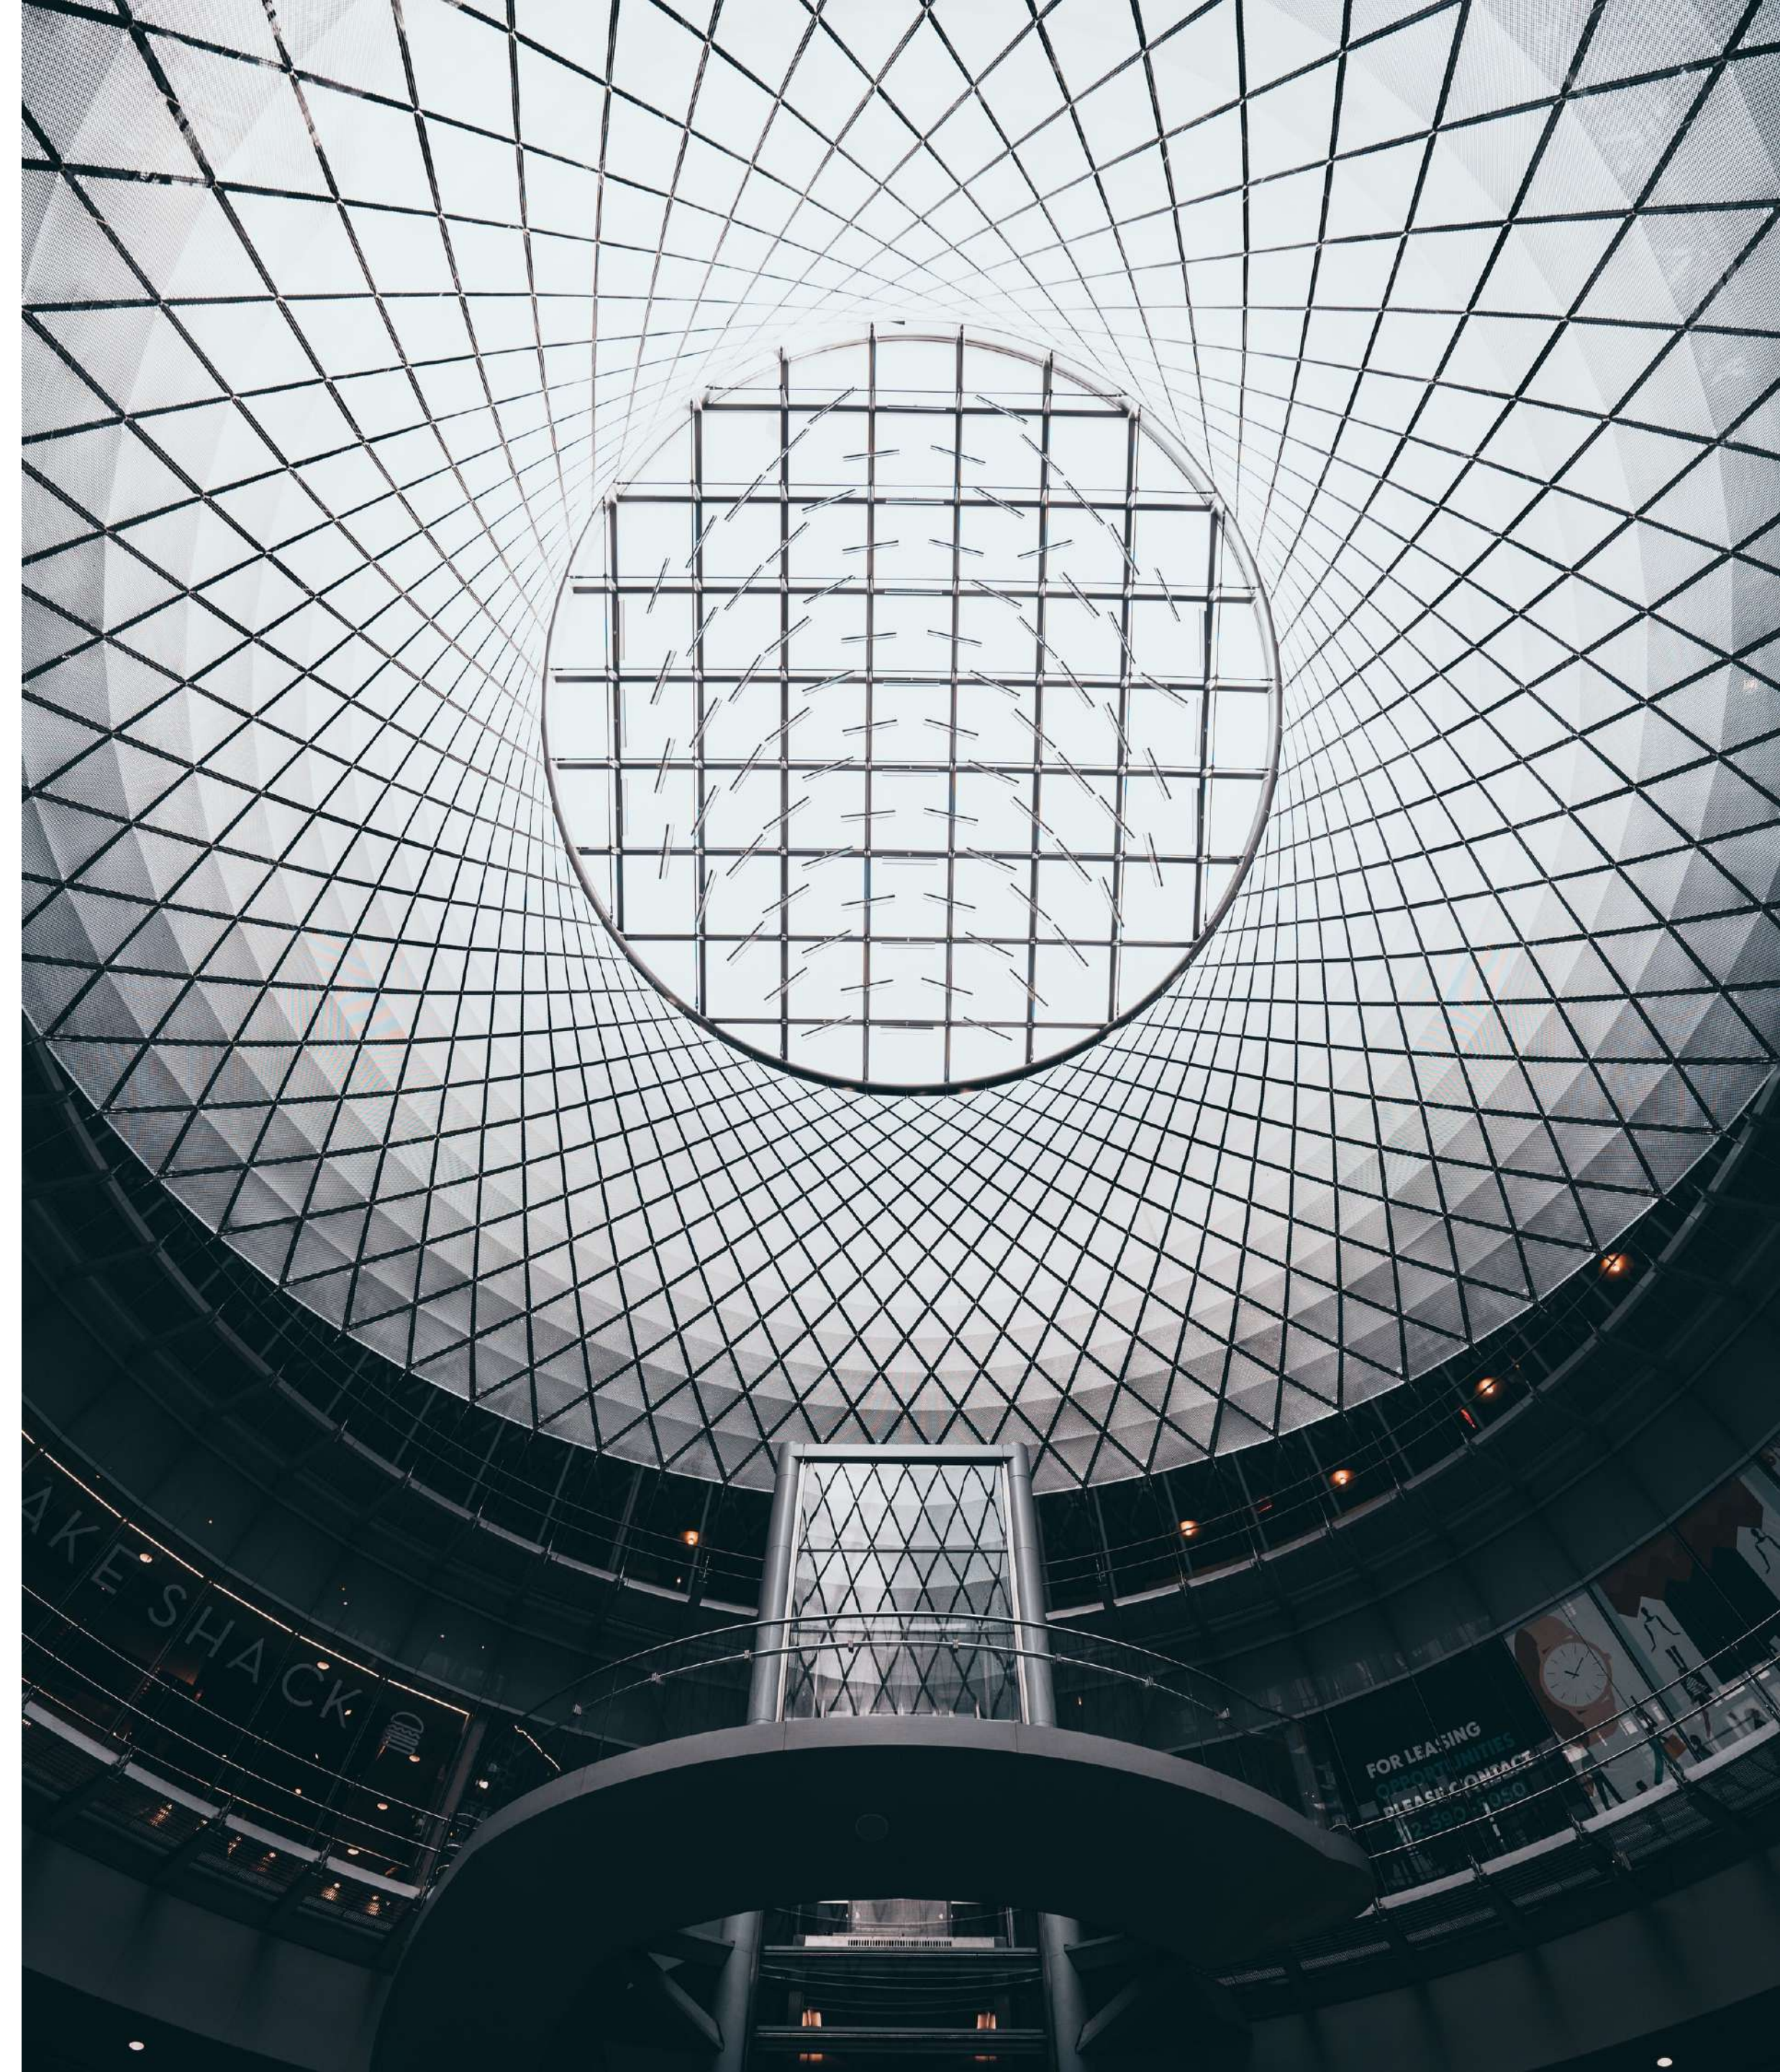

---

- **Design & Build**
- **Main Contract**
- **Package Contracting**

## WHAT WE DO

---

- Client centric approach
- Fast tracked deliveries with optimum attention to quality and zero tolerance to defects.
- High efficiency with proven track record of upto 20% savings in project timelines and upto 14% cost savings through value-engineering.
- High accountability and effective management of projects
- Committed management with wide exposure in project management
- Pool of skilled resources with average of 10+ years of relative experience and strong network of suppliers.

## ABOUT US

---

- We are a team of designers, technicians and project managers. It is our job to translate the idea into a production ready design and then manage the project through to successful handover.
- With experience working on contracts of all sizes and budget, we bridge the gap between design and manufacture.
- Our dedicated team of designers, project managers and highly experienced makers ensure that you're project is handled professionally from concept right through to final install.
